

Raj Bir Lama

Boudha, Kathmandu, Nepal | +977-9708736425 | rajbirlama12@gmail.com | linkedin.com/in/raj-lama-510371251

Experience

- System Assistant, Q&U (Kala Furniture Industry Pvt. Ltd.)** Aug 2026 - Present
- Verify inventory through QR code scanning and cross-check records against warehouse and system data.
 - Self-initiated QA testing on the company's e-commerce site (qandufurniture.com) alongside core duties: 109+ test cases (TC_01-TC_109) across authentication, product pages, and mobile layout.
 - Identified and reported critical defects, including a 500 error blocking native login and a broken Facebook OAuth flow, escalating directly to the development team via WeCom.
 - Flagged additional issues outside original test coverage, including broken promotional banner links and a supplier watermark left on product images.
- QA Intern, Digital Pathshala Pvt. Ltd.** Apr 2026 - Jun 2026
- Completed a structured remote QA internship, gaining hands-on exposure to software development and digital learning platforms.
 - Reported to an assigned project supervisor, with progress assessed through periodic feedback and performance reviews.
